Dear Mr. Haydenn:

---

We write in response to your request for legal assistance from the New York Civil Liberties Union (NYCLU). We have reviewed your request and unfortunately, we will be unable to assist you in this matter. However, you may wish to contact Brooklyn Legal Services (718) 636-1155.

Please understand that the NYCLU is a private, non-profit organization that seeks to preserve and extend constitutional rights and privileges found mainly in the Bill of Rights. Thus, generally, we accept for direct litigation only test cases which involve significant civil liberties issues (class action lawsuits). Moreover, because of our limited staff and resources, we are able to accept only a handful of cases even where the cases allege violations of constitutional rights. We are, therefore, unable to offer you assistance at this time.

Sincerely,

Legal Intake Committee
